PART—B

10×5=50

- Instructions :** (1) Answer *any five* questions.
(2) Each question carries **ten** marks.
(3) Answers should be comprehensive and the criteria for valuation are the content but not the length of the answer.

11. Write a paragraph interpreting the details from the bar diagram in about 100 words :

AVERAGE SALARY PAID TO TECHNICIANS
IN MANUFACTURING COMPANIES IN THE
FINANCIAL YEAR 2018-19

12. Read the following paragraph and draw a pie diagram showing the relevant details :

The pie diagram shows the number of countries in different continents in the world. The land mass of the globe is divided into seven continents. Though Antarctica is one among them, there is no country in it. Many countries are from the three big continents Africa, Asia and Europe. Africa stands first comprising 53 countries and Asia takes second position with 47 countries in it, though it is said to be largest continent in size. Europe consists of 43 countries only with 4 countries lesser than Asia. South America has 12 countries which is almost half of that of North America which has 23 countries. Australia is the only continent which is also a country.

- * **13.** Write a letter to your friend about the technical skills you have gained in industrial training.
- 14.** Write a letter to the editor of the Indian Express on the lack of drinking water in you village. Use the following hints :
